Zhongshan Dengyi Optoelectronic Technology Co.,Ltd.

Factory picture

Company profile

Zhongshan Dengyi Lighting Technology Co., Ltd. was established in 2017. Dengyi Lighting is a physical enterprise engaged in the development, production, and sales of LED green lighting products. The company boasts top-notch professional talents and a complete production system, achieving a high standard and strength in light fixture production and manufacturing processes. Since its establishment, it has always adhered to the principle of "customer first, striving for progress" and implements a strict division of labor system from the procurement of raw materials to production and inspection shipments, advocating the concept of conservation and environmental protection while ensuring a 100% qualification rate of products. Formal management, professional technology, and cost-effective products provide a solid guarantee for you to remain unbeatable in the competition.

Over the years, through continuous development and accumulation of experience, the company has won unanimous praise from domestic and foreign merchants with its high-quality products, reasonable prices, and excellent services. The products are well-received across China and abroad. The main products include LED motif lights, LED animal acrylic lights, LED dual-head lights, LED star lights, LED net lights, LED curtain lights, LED waterfall lights, LED rope light, LED light strips, LED soft lights, LED meteor tubes, etc. These products are widely used in urban lighting projects, bridge illumination, building illumination, park lighting, leisure square lighting, street decorative lighting, advertising signs, wedding decoration lighting, bar KTV lighting, and stage backdrop lighting in public places.

Your trust is our pursuit. We can promise that we will provide lifelong dedicated service for any product you purchase.

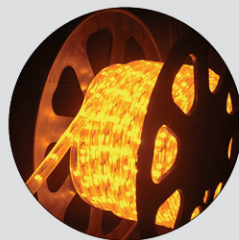

Corner of the factory

In the future, "whatever can be made in a factory will not increase in value." Whatever can not be made in the factory, the price will change with each passing day."

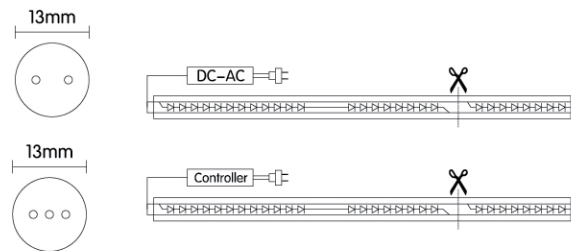

- Indoor outdoor
- 12V/24V
100V/120V
230V
- Waterproof
IP65
- Luminous color
Yellow, blue, red, white, colorful
- APP Smart Control

- ONE** Soft, can curl like a wire
- TWO** Able to cut and extend.
- THREE** The lamp bead and circuit board are completely covered in flexible plastic, which has good insulation, waterproof performance and safe use.
- FOUR** Strong weather resistance
- FIVE** Not easy to break, long service life
- FIX** Easy to make into a variety of shapes, is widely used in buildings, Bridges, roads, courtyards, ceilings, cars, advertising, signs and other decoration and lighting.

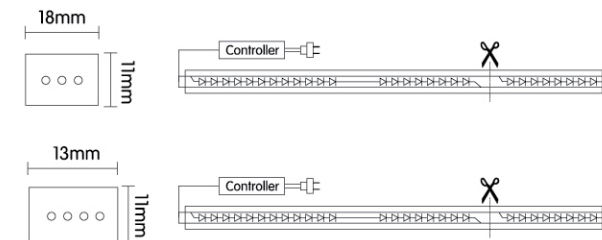

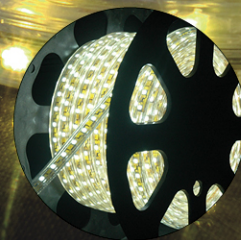

LED round 2 wire rope light
